

Case Studies

- CLIENT ➤ Kier Construction
- SECTOR ➤ Car Parks
- SERVICE ➤ Industrial Resin Flooring
- FINISH ➤ Car Parks

"Excellent workmanship and professional service by all operatives and management."

PROJECT

Our team was appointed by Kier Construction to install an intermediate deck system to a 12,000m² car park.

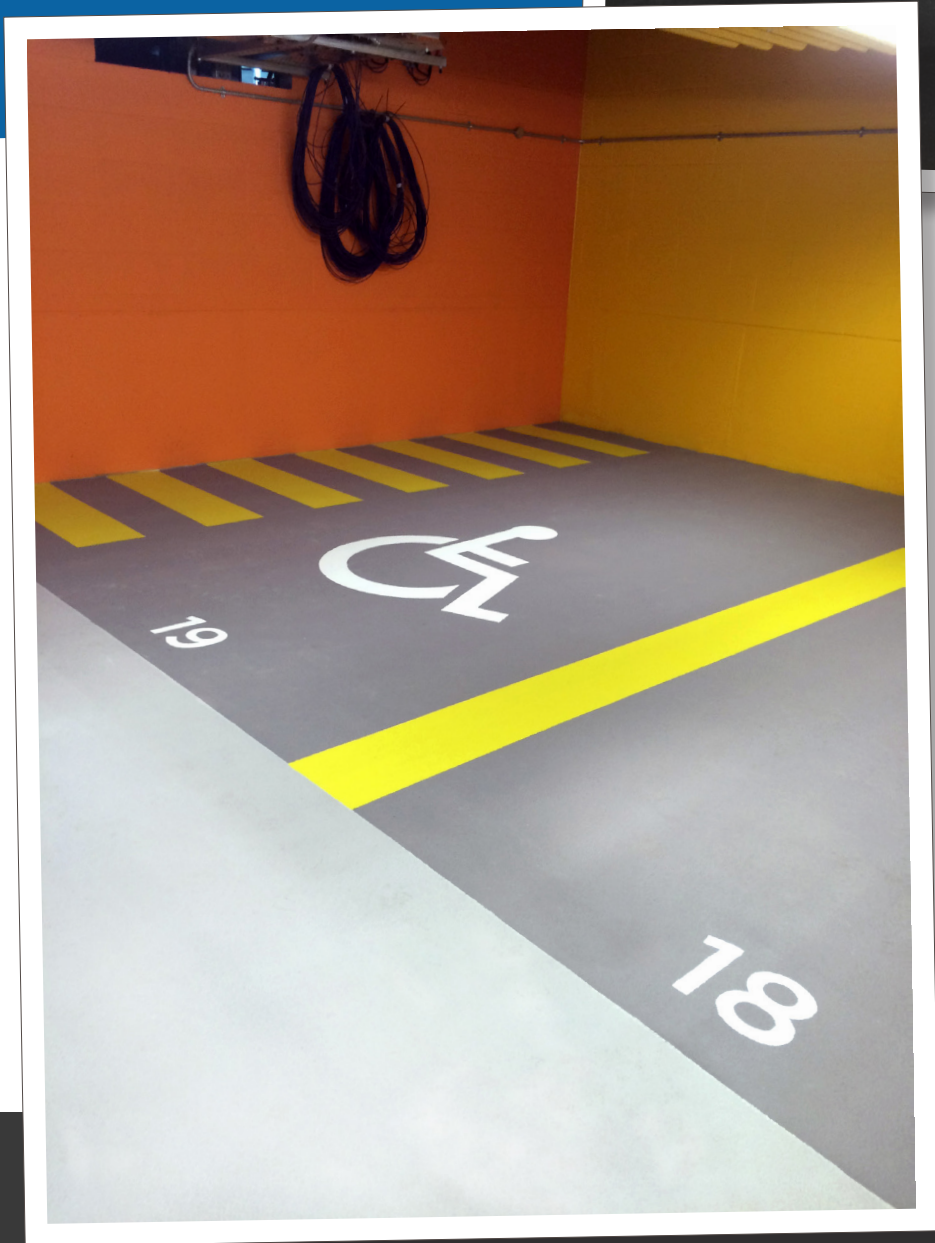

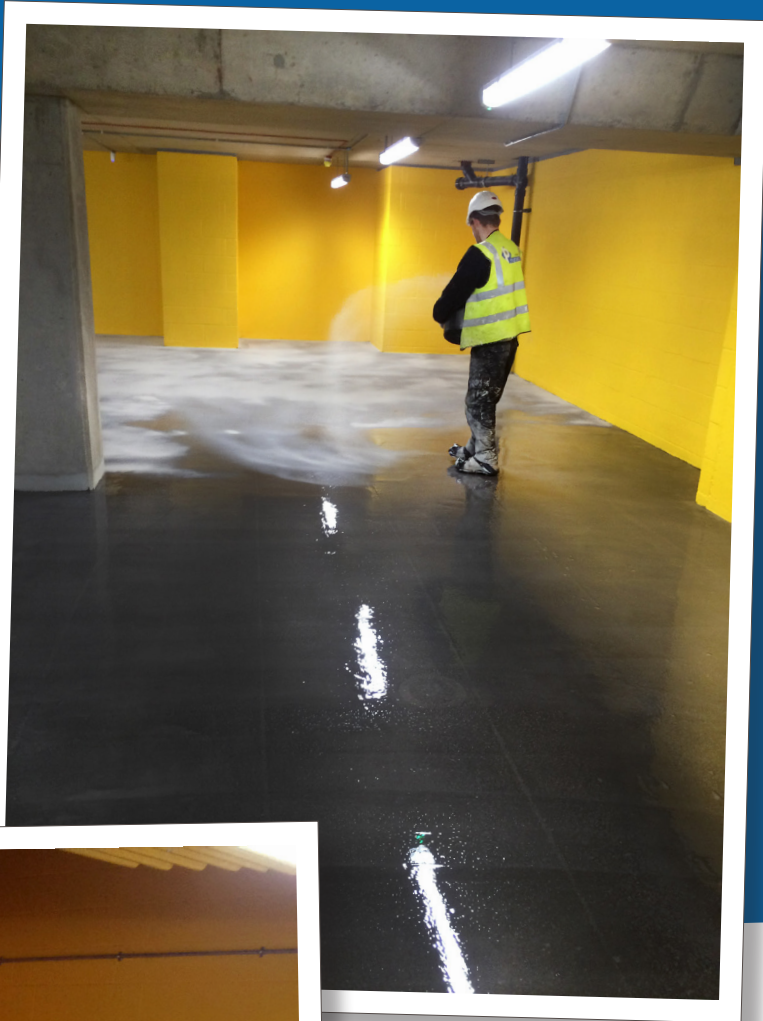

CHALLENGE

Polydeck were up against a competitor specification and overturned the system.

SOLUTION

Kier required a suitable intermediate deck system with a 10-year warranty from the supplier which Polydeck could deliver.

Polydeck had a team of 8 men on site for 8 weeks working on one deck at a time whilst other trades moved around the car park.
